2. The identity of any person who purchases a PASS, or for whom a season pass is purchased, must be proven. Proof of identity will be requested upon purchase, withdrawal and production of a PASS.

3. PASSES must be presented each time the holder wishes to access the Parks. The identity of the pass holders will be checked by the names indicated and the photos printed on the PASS.

If the Parks' staff deem it necessary, proof of identity may be requested in order to check that it matches the PASS. Although the data concerning the pass holder is recorded in the access systems, access to the Parks may be refused if the pass holder is unable to present a physical copy of his or her season pass and proof of identity if requested.

4. If a visual inspection concludes that the pass holder cannot be clearly identified based on the photo, the Parks' teams will be authorized to ask for a new photo to be taken at the entrance to the Parks to reprint the PASS. The opinion of Walibi Belgium and Aqualibi will then be binding in such case.

5. As with any other valid entry ticket, the PASS can be requested at any time in the Parks for verification and security purposes.

6. In the event of a high number of visitors, or when the Parks are closed for private groups, the PASS shall not guarantee an entry to the Park. If a Park is at full capacity on the pass holder's arrival, entry may be refused without any compensation.

7. The Park Regulations apply when you enter the Parks. The Parks' Regulations can be consulted at the main entrances and on the websites www.walibi.be and www.aqualibi.be. In the event of non-compliance with the Regulations of either Park, the PASSES may be confiscated or blocked without compensation.
